**Reply-to:** "" <>

Situation Acknowledged. Unable to estimate time needed.

**Additional Message:** SOUTH 960561 Dear Citizen, Thank you for your recent e-mail. Caltrans appreciates your concern for the California freeway system. The Region Area Superintendent and Supervisor will investigate your concern. Caltrans only schedules maintenance work for those areas under its jurisdiction. Scheduling may be impacted by the extent and/or type of work required, available resources, and/or unforeseen emergency and safety related situations. California Department of Transportation (Caltrans)
